Dear Web Services Plus L.L.C.,

Thank you very much for your recent gift of \$300.00 made on April 13, 2006 to support the work of The Nature Conservancy.

For more than 50 years, The Nature Conservancy has been working hand in hand with people, communities and businesses to preserve the Earth's last great places. From rare sandplain grasslands to vibrant coral reefs, the Conservancy has protected more than 117 million acres in 28 countries - a tremendous task made possible by the dedication and generosity of our supporters.

To learn more about our work or obtain general information about The Nature Conservancy, I encourage you to visit our Web site, nature.org. Here you can read exciting news about our conservation efforts, learn how you can become more involved in the Conservancy, and find information about gift and estate planning opportunities that can help you meet your charitable and financial goals.

Once again, I am deeply grateful for your generous gift, for your support of our work and for your continuing commitment to The Nature Conservancy.

Sincerely,

Steven J. McCormick
President and Chief Executive Officer
