Dear Mr. Kirkland:

Members of the Akron Board of Education wish to sincerely thank you for your generous donation.

Your cash donation of \$1,000 was used to purchase books for the 100 Book Challenge Program at Bettes Elementary School to enhance the education of the students.

Board members were made aware of your generosity at the Board Meeting of January 8, 2007.

Sincerely,

A handwritten signature in black ink, appearing to read "Jack Pierson", is written over a vertical line that separates the recipient's information from the rest of the letter.
