To Whom It May Concern:

On behalf of CURE Childhood Cancer and all the children and families that benefit from our programs, I would like to extend our sincerest thanks for the generous donation of \$250. These funds not only help CURE fulfill its commitment to pediatric cancer research, but also enable us to provide vital educational, emotional and financial support to the children and their families.

Despite the remarkable progress made in the study and treatment of childhood cancer, it continues to claim more children's lives in the US than any other disease. Thanks to your generosity, we can continue to help these kids.

Warm regards,

Jill George
Executive Director, Patient & Family Services
