On behalf of The Humane Society of the United States, thank you for your generous donations during 2006. The HSUS continues its breakthrough work celebrating animals and confronting cruelty in our nation and abroad. We are the largest and most energetic animal protection organization in the country because of you and millions of like-minded Americans. We are grateful for your commitment to the cause.

The following information summarizes your 2006 charitable donations to The HSUS.

Total Number of Donations	1
Total Amount of Donations	\$ 400

Under IRS guidelines the estimated value of the benefits received is not substantial; therefore, the full amount of your payment is a deductible contribution.

The national focus on animal issues, due in part to Hurricane Katrina, brought a new urgency to our work. Last year, state lawmakers passed nearly 70 laws to improve the welfare of animals. At the federal level, The HSUS successfully pushed for passage of a new federal law to safeguard animals caught up in disasters. We won statewide ballot measures to halt dove shooting in Michigan and to outlaw inhumane factory farming practices in Arizona. HSUS attorneys have worked tirelessly in the courts to combat factory farming, cockfighting, sport hunting on wildlife refuges, puppy mills, and so many more troubling practices. Pets for Life™ helped thousands of people better care for the creatures in their trust, and our veterinary work in rural areas helps tens of thousands of animals every year. We have thousands of other animals under our care at our network of animal rescue facilities. Our website, HSUS.org, lists the many other gains and challenges of 2006.

Kindness to animals makes us better as individuals and as a society, and laws protecting animals from cruelty make us a better country. Please be proud of your support for a truly humane society. Animals cannot put their thanks in writing. But I can. So thank you again. And let's make 2007 a better year still.

Sincerely,

Wayne Pacelle
